

SBM CONFERENCE

WAIKATO 5-7 JULY 2023

William Pike

William Pike is an inspirational kiwi who is on one hell of a journey -from losing his leg in a volcanic eruption, to starting a nationwide youth development programme, to mountaineering in Antarctica, William has an unfair advantage when it comes to talking about the necessity of stepping outside of your comfort zone to overcome challenge, change and achieve extraordinary things.

Michele A'Court

Michele has international experience as a stand-up comedian and includes work in various countries. She regularly tours solo comedy shows around New Zealand - everywhere from opera houses to community halls. In the 2022 New Year Honours, Michele was recognised for her services to the entertainment and comedy industries and becomes an Officer of the New Zealand Order of Merit (ONZM).

Mark Bunting (MC)

Mark Bunting started his professional life as a school teacher. After graduating with a bachelor's degree in education, majoring in psychology, he took his lengthy and expensive training in the education area and became a radio announcer.
